It was celebration time for the employees and distributors of a renowned cement company. And why not, when the reason was very major- the launch of a new cement plant near Ahmedabad. Present on this occasion was company's managing director Vinita Singhania along with the whole-time directors Shailendra Chouksey and SK Wali along with veteran actor Om Puri, who is the brand ambassador. Along with the launch of plant, there were many fun games and contests that made the evening lively. Anchor Nitin, tickled the funnybone
