

127th Founder's Day celebrated by J.K. Organisation

Lamp lighting ceremony marked the beginning of celebrations

Shri Hari Shankar Singhania, President - J.K. Organisation, addressing the august gathering

The esteemed group of guests present at the occasion

J.K. Organisation celebrated its 127th Founder's Day with full fervor recently. The Founder's Day is organised to pay tribute to the legend, Late Lala Kamalpat ji Singhania by the group companies on his birth anniversary. This year the celebrations took place at Hotel Taj Palace, New Delhi. Hon'ble Chief Minister of Delhi, Smt. Shiela Dixit, graced the occasion as the Chief Guest.

The event was attended by a large number of Diplomats, Bureaucrats, Bankers, Media Persons, respected Dignitaries and members of J.K. Organisation family. Shri R.K. Gupta - JK Lakshmi Cement, hosted the event.

A lamp lighting ceremony marked the beginning of the event. On the occasion, Lala Kamapat ji Singhanian was remembered for his enormous contributions as an industrialist, a patriot and a philanthropist, which were applauded and appreciated by everyone.

On the occasion, a cultural show was organised wherein group employees and their family members participated in presenting an evening with memorable performances. The performances included Bharatnatyam dance by Ms. Shruti Shrikant, granddaughter of Shri S. Jayaraman (JK Lakshmi Cement), a special song performance given by Shri Prashant Sadasivan, son of Shri C.S. Sadasivan (JK Lakshmi Cement) and "Manjhale Nawab" by Ms. Archana Goel (JK Lakshmi Cement) and her daughter Ms. Kashish. Shri R.K. Jerath (JK Lakshmi Cement) also entertained the audience with a stand-up act - "By the Way". The students of Lakshmi Pat Singhania School, Jaykaypuram, performed Rajasthan Folk Dance which left everyone spellbound. JK Lakshmi Cement (Sirohi) was awarded the Chairman's People Management Award 2010-11 for "Best People Management Practices".

J.K. Organisation appreciated everyone present at the occasion for attending the 127th Founder's Day function.
