

JK LAKSHMI CEMENT

SWEEPS PRODUCTIVITY EXCELLENCE AWARD FOR THE FIFTH CONSECUTIVE YEAR

Shri Rajendra Pareek, Minister for Industries, Mines and Excise, Govt. of Rajasthan and Shri K.L. Jain, President of Rajasthan State Productivity Council presenting the award to Shri. P.L. Mehta, Sr. VP (Works) and Shri N.K. Maheshwari, General Manager (Development), JK Lakshmi Cement

JK Lakshmi Cement Ltd. has once again been rewarded with the prestigious “Productivity Excellence Award” by the Rajasthan Productivity Council for the fifth consecutive year, at a function held on 4th April, 2013 at Jaipur. The award was presented by Shri Rajendra Pareek, Minister for Industries, Mines and Excise, Govt. of Rajasthan and Shri K.L. Jain, President of Rajasthan State Productivity Council to Shri. P.L. Mehta, Sr. VP (Works) and Shri. N.K. Maheshwari, General Manager (Development), JK Lakshmi Cement.

The Productivity Excellence Award is adjudged on the basis of various parameters including Productivity, Quality, Energy Conservation, Leadership Quotient, Human Resource Management and Corporate Social Responsibility. JK Lakshmi Cement has proven itself in each of the parameters through its efficient staff and their constant efforts.

The Company on its part has introduced various innovative and eco friendly ideas and projects in the recent past, in an effort to play its part in consuming and improving the environment which includes:

1. Waste Heat Recovery 12 MW Power Plant (saving of 55000 MT of carbon dioxide per annum)
2. Installation of Fly Ash Drying System.
3. Installation of Biomass Handling System i.e., 'Replacement of fossil fuel by biomass'
4. Installation of additional 18MW power plant.
5. Commissioning of new grinding unit at Jharli, Distt. Jhajjar, Haryana in April, 2012

JK Lakshmi has been growing at a fast pace with the times. The Company which had a capacity of 5 Lac MT per year at the time of commencement boasts of 53 Lac MT per year at present (10 times capacity enhancement since commencement).

Two employees of JK Lakshmi Cement were also rewarded with the “Artisan Awards”. A cash price of Rs.5000 each was awarded to Shri Ghanshyam Sharma and Shri Chagan Lal Meghwal for their individual outstanding contribution and initiative taken for innovating projects resulting in increased productivity, environment friendly operations and substantial cost benefits.

JK Lakshmi's constant efforts and innovations are the main reasons for its continuous achievement from last five years. JK Lakshmi Cement congratulates its staff for their achievement and hard work and encourages them to work harder to continue its legacy of winning.
