

TRAINING FOR VILLAGE LEVEL MOTIVATORS TO IMPROVE MATERNAL & CHILD HEALTH STATUS

JK Lakshmi Cement Ltd. Sirohi Unit under its flagship "Naya Savera Project" – Aimed at improving Maternal & Child health status - among vulnerable and marginalised communities organised two days training programme for Village Level Motivators (VLMs). The training focused on improving the knowledge and skills of VLMs on Home based newborn care, Home based Young Child Care, Infant and Young Child Feeding practices and Life Skill Education.

The Company is implementing Naya Savera Project under CSR in Pindwara block of Sirohi District, Rajasthan. Approximately 80,000 population is benefitting from this intervention. The project has contributed in reduction of infant & maternal mortalities in the project intervention areas.

Total 49 VLMs participated in the training.
